Dear Store Manager

My Name is \_\_\_\_\_

My Phone # is \_\_\_\_\_

I am interested in purchasing Softpaws Premium Pine Litter from your store. Would you be so kind as to contact Little Bits, Inc. at 307-684-9340 for their retailer price list? This product is something that I and a lot of your natural pet product customers are anxious to incorporate into our home. If you should have any questions about the company or product, please review their web site at [www.littlebitsinc.com](http://www.littlebitsinc.com). They can be reached by using the contact link on the web page or the president of the company is Joseph St Pierre and his e-mail is [joseph.littlebits@vcn.com](mailto:joseph.littlebits@vcn.com).

I understand that they are a green, biodegradable, and environmentally friendly company so this product will appeal to many of your other customers. Please let me know when you have this product in and I will be your first customer for it. Thank you again for your time and stocking this along with the other natural pet products in your store.
